

British Automobile Racing Club

08th & 09th May 2021

Snetterton '300' Circuit (2.968 miles)

Final Instructions: Meeting HQ06 - v2

This meeting is organised by the BARC governed by the General Regulations of the Motorsport UK incorporating the provisions of the FIA International Sporting Code, additional Supplementary regulations and any written instructions that the organisers issue for the meeting.

These Final Instructions must be read in conjunction with the [BARC Standing Regulations \(22Feb21 v18\)](#) the [BARC H&S Guidance \(22Feb21\)](#) and the [BARC Covid-19 Competitor Guidance](#) which are available on the BARC website and above links.

Motorsport UK have also created some guidance documents that Competitors are strongly advised to become familiar with:

- [Motorsport UK Competitor guidance \(25 March 21\)](#)
- [Face mask requirements \(18 Sept 20\)](#)
- [Restart Guidance video \(1 April 21\)](#)

Competitors and marshals are asked to bring their own PPE and hand sanitiser to the Meeting.

NOTE:

This event is busy with most grids being very well subscribed, it will be a tight paddock. Competitors are asked to carefully look at the role of every individual they bring to the event. If only essential people attend then restrictions will be easier to follow.

Please park private cars and any vehicle that is not essential to operating during the event in the car park.

The road ways in the paddock are tight, any unnecessary vehicles will make getting to and from the track harder for competitors.

Please closely follow the paddock plan / times for entry and exit contained in section 4 below. With so many entries there will need to be a collaborative attitude to the paddock space. Every piece of space in the paddock will be taken and so anything that can be done to reduce a footprint, even marginally, will help the running of the event overall.

Live Stream

This event will be live streamed on the [BARC YouTube channel](#). Please be aware that advertising restrictions included in Motorsport UK Yearbook H.28 will be imposed.

4. PADDOCK ACCESS & ALLOCATION:

Paddock access will be from 19:00 on Friday and the paddock must be vacated by 22:00 on Sunday.

Any competitor/team that parks in an area that is not assigned for them in the paddock and refuses to move when asked by an official will be reported to the Clerk of the Course. David Wheadon is helping with the paddock, he can be contacted on 07949 927 534.

When travelling to the venue Competitors, marshals and officials should think of the environmental footprint and in particular their carbon footprint. Vehicles should not be left idling and vehicles with lower emissions should be the preference.

We are aware that many competitors are testing at the circuit on Fri. **If testing and you have track activity on Saturday, where possible please park in a location that is allocated to your Championship - if you have hired a garage obviously this can be used.** All competitors that are testing on Friday but not racing until Sunday should exit the paddock on Friday evening to allow those racing on Saturday to use the paddock.

It is vitally important that you park within your allocated area within the paddock as indicated on the attached plan. Any competitor/team that parks in an area that is not assigned for them in the paddock and refuses to move when asked by an official will be reported to the Clerk of the Course. Failure to move may result in you being asked to leave the venue. Because of the lack of the space no private cars are permitted within the paddock at any time. Private cars, including those of the officials will have parking behind Agostini this is only a short walk to the paddock.

Paddock Access

BARC has employed additional security / parking control at this event to help it run smoothly. Only vehicles with paddock access passes will have access to the paddock. Access to the paddock will be available at the following times. Please respect the times and directions of the officials - the controls are there aid the successful running of the event:

| Area | Thu | Fri | Sat |
|--|-------------------------------|-------------|-------------|
| Paddock / Garages | After 19:00 if testing Friday | After 16:30 | After 19:30 |
| Area behind Agostini (Private cars / trailers / Motorhomes) | | Anytime | Anytime |

Saturday Evening

On Saturday evening a great number of teams within Britcar and Coupe Cup will need to exit the paddock while others that are racing on Sunday are given access. Teams that are departing on Saturday evening are asked to pack up ASAP and **depart by 19:00** where ever possible. Teams entering the paddock on Saturday evening are asked to wait until **at least 19:30** before attempting to move toward the paddock. This way congestion can be minimised.
