Hockenheim: 1 – 3 September 2023

Decision N°: 12

From: The Stewards
To: The Competitor's Representative

Document N°: 35
Date: 3 September 2023
Time: 18:50h

The Stewards, having received a report from the Technical Delegate, summoned and heard from the team representative, Emilio De Villota. They have considered the following matter and determine the following:

Car No / Driver 7 / Tomas Pintos
Competitor SMC Motorsport
Session / Time Race 2 / Grid
Facts Technical Infringement
Offence Breach of Article 5.21.10 of the McLaren Trophy Europe Series Regulations
Decision The Competitor is given a Reprimand
Reason It is reported by the Technical Delegate that the tyre pressures on car 7 were checked on the grid by personnel authorised by him using a calibrated gauge. Both the left front and the left rear tyres measured below the minimum permitted in Article 5.21.10 of 1.30 bar. This fact is not disputed by the Competitor.

In considering the penalty to be imposed, the Stewards took into consideration that the procedure for dealing with such a matter was not followed on this occasion and therefore the Competitor was denied the opportunity to remedy the situation.

The Stewards impose the penalty above as allowed for in Article 5.21.10 paragraph 2 of the McLaren Trophy Europe Series Regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 4.3.3 of the McLaren Trophy Europe Series Regulations, within the applicable time limits.
