## *Brief Details:*

Car 95 makes contact with car 50.

After reviewing the available footage from car 95 and interviewing the driver of car 95, it was determined that car 95 went deep into turn 1 (locking up the rear brakes) which caused them to leave the track. On returning to the track, they placed their car into the path of another car who, due to this being the start of the race made contact with them.
