To ensure that space is used for racing activities, all private cars and non-essential vehicles are to be parked outside of the main paddock area in the “Competitor/Private vehicles Car Park” as per Section 5 maps.

Teams that are not testing will be allowed access to the circuit from 17:00 on Friday. Competitors arriving before this time will be held in a car park (near the main entrance).

Any competitor who is testing on the Friday and has track activity on Saturday, should, where possible, park in a location that is allocated to your Championship – if you have hired a garage for testing this can be used.

All paddock areas must be vacated as soon as possible after the meeting has ended and by 9pm.

Teams using the Pit Garages are reminded that it is their responsibility to ensure that persons under the age of 16 years old are not allowed access to the pit lane.

Competitors should note that the use of electric scooters is prohibited in all areas of the venue. Anyone found using these may be removed from the venue.

Competitors should be aware the paddock is a working environment, and as such the playing of ball games is prohibited. Competitors should also be aware of their responsibilities to members of their team / family who are under the age of 16.

When travelling competitors, marshals and officials should think of the environmental footprint and in particular their carbon footprint. Vehicles should not be left idling and those with lower emissions should be the preference.
