Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

Q12.21.4 Causing a collision, repetition of serious mistakes or the appearance of a lack of control over the car

Brief Details:

Contact between cars 3 and 55 coming into the hairpin on the final lap, resulting in both cars losing control before eventually continuing. I interviewed you face to face and have also reviewed footage from your onboard camera. I have also reviewed footage from car 55 camera and the circuits CCTV. Car 3 (You) made contact with the rear of car 55. You have admitted to "Locking Up" and not being able to control the car. I therefore find you wholly to blame for the collision

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Addition of time to your race time

Additional Comments: 10 seconds to be added to you race time
This also attracts 1 behavioral Warning Point as per championship regs

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
