I feel that I am:

<input type="checkbox"/>	Unable to take any judicial action as a result of an incident between your vehicle and that of a fellow competitor number _____ driven by _____ as I consider there to be inadequate evidence to warrant such action.
--------------------------	---

<input checked="" type="checkbox"/>	Unable to take any judicial action as a result of an incident between your vehicle and that of a fellow competitor number 17 driven by Ben Mahoney as I consider that neither driver is wholly or predominantly to blame..
-------------------------------------	--

<input type="checkbox"/>	Unable to grant you an upgrading signature on your Motorsport UK competition Licence record card. This is due to my belief that for various reasons, you have not met the criteria as laid down in regulation G5.2.19 of the current Motorsport UK yearbook.

Additional Information / Reasons for Decision

Marshal report from start of race two stated that car 28 lost control and hit multiple cars. Spoke to driver and reviewed his review camera and could see a large number of cars bunched together and that car 28 recieved a small touch on the bumper from car 17. However, with the number of cars around i could not reach a conclusion that any one car was predominantly responsible for the contact. No further action.

You are advised of your right of appeal.

Signed:

Andy Stevens
